

Partner Research Application

Project title:

Project lead:

Project participants: Please include any other individuals or organizations that will be participating in the project. Also include any specific IRI member individuals who you know may be interested in participating. (This can include long term advisors/participants in the project, interview subjects, case study subjects, etc.)

Value proposition: What problem are you researching? Please write a brief description of what you foresee this project accomplishing or “solving”.

Methodology: How will you find your answers? (Examples include surveys, case studies, focus groups, etc.)

Timeline: See the IRI/project timeline below. How do your project activities mesh with this timeline? What are the key milestones? Please indicate where your project work will fall on the timeline below.

Date	IRI Activity	Project Activity
July 15, 2023	Funds disbursed and projects begin	
August 2023	-	
September 2023	Projects hold sessions at IRI Fall Meeting	
October 2023	-	

November 2023	Project update webinar	
December 2023	-	
January 2024	Project update webinar	
February 2024	-	
March 2024	Project update webinar/possible session at Spring Networks Conference	
April 2024	-	
May 2024	Project update webinar/host session at IRI Annual Conference	
June 2024	-	
July 2024	Project update webinar	
August 2024	-	
September 2024	Projects report out at IRI Fall Conference	
October 2024 – January 2025	RTM article submitted or other deliverable complete	

Funds Requested: What is the project budget (up to \$3,000) and how will it be spent? (The funds are for project expenses only. Examples of project expenses include: access to content and research materials (e.g., books, journal articles), research services (e.g., transcriptionist, research assistant), travel to IRI meetings, travel to research subjects (e.g., for case studies or interviews), research tools (e.g., collaborative work tools).)

Deliverable: What will the end result be? How will you share your findings? If the results are suitable for publication in an academic journal, a paper must also be published in RTM, which may be co-authored by one or more IRI member participants.

Completed applications should be submitted to Matt Dorocak at mdorocak@nam.org.

*In awarding grants, **Innovation Research Interchange, a division of the National Association of Manufacturers**, does not discriminate on the basis of race, color, religion, national origin, age, disability, sexual orientation, or veteran status. As part of the grant proposal, grantees will be required to affirm that, in providing services funded in whole or in part by **Innovation Research Interchange**, the grantee will not discriminate on the basis of race, color, sex, religion, national origin, age, disability, sexual orientation or veteran status, either in employment practice or in policies and procedures concerning access to services.*
